**Meet the Visionaries:
Our Founders**

From Blueprints to Business: The OneSpace Journey

HOW TWO ARCHITECTS DECIDED TO BRIDGE THE GAP?

During our final year of architecture, we realized our sketches were only serving the 1%. We wanted to design for the 99%.

THE MISSION:

The Mission: To democratize interior design by combining architectural precision with budget-conscious execution.

THE ONESPACE PHILOSOPHY:

- **Functional: Every square inch matters in a 2BHK.**
- **Transparent: No "surprise" costs or timeline shifts.**
- **Accessible: Professional design is a right, not a luxury.**

Solving Real-World Problems

- **Interior Design Expertise:** Our team of experienced designers specializes in creating designs that align with the client's vision and lifestyle.
- **Speedy Execution:** We take pride in completing projects for 2 and 3 BHK homes within just 45 and 60 days, respectively.
- **Budget-Friendly Solutions:** Our solutions are tailored to fit a range of budgets without compromising on quality and aesthetics.
- **Brand Solution** – We take pride in delivering interiors that align with your brand identity and values.
- **End-to-End Interiors**– From concept to completion, we handle it all.

"Whether you are a small business owner or heading multiple businesses, there would always be a number of activities going on every time. It could be a challenge to handle too many things at once and not let work become chaotic. This is why it makes sense for businesses to start using business management software to stay on top of things."

Market Trend

The marketplace for interior design in India was valued at USD 23.2 billion in 2020, and it is anticipated to grow to USD 38.2 billion by 2027, at a CAGR of 7.4% from 2021 to 2027. The thriving real estate market in India is what's driving the country's interior design industry. The market for interior design in India is expanding as a result of urbanization, rising income levels, and population expansion. Smart home technology, social media impact, and changes in lifestyles and living standards are some other reasons influencing the rising need for interior design services

Housing sales in top 7 cities may hit fresh record high in 2022: Report

FACTORS DRIVING THIS GROWTH:

Boost in Urban Population.

Nuclearization of families, due to which more households are being added, resulting in an increase in consumption and demand for housing.

Favourable demographic dividend, as a direct result of working age population being more than the non-working age population.

Govt. push in terms of reforms like GST, RERA, loosened FDI regulations.

Hello **Entrepreneurs**

NIKIT AGARWAL AND BHUMI SHAH, THE DYNAMIC DUO, REVOLUTIONIZES INTERIOR DESIGN

Hello **Entrepreneurs**

Nikit Agarwal and Bhumi Shah, the founders of Onespace Interior, share a remarkable journey that began during their college years. With their mutual passion for design and a shared vision for creating exceptional living spaces, Nikit and Bhumi have joined forces to establish a Surat-based interior design company that is redefining the industry.

Their journey began during their college years, where their paths intertwined, and their shared vision took shape. While many students typically pursue careers in architecture after graduation, Bhumi and Nikit took a different path, diving headfirst into real-world projects from as early as their second year. This bold move not only gave them a unique perspective but also allowed them to identify the challenges faced by middle-class individuals when it came to transforming their living spaces. Recognizing the disparity between high-end interior design services and affordable options for the middle class, Bhumi and Nikit set out to bridge this gap and provide
